

Recreation and Healthy Active Living Leadership Course

Mentorship Application Form

Each student registered in the Recreation and Healthy Active Living Leadership Course is required to complete 12 hours of community mentorship. The purpose to the community mentorship is to provide each student will an opportunity to apply their skills and learn from community leaders.

The community mentorship hours can be completed by organizations that deliver and support engagement in recreation, physical activity and / or sport.

The following form should be completed by the student and mentor organization to confirm that each student will be able to complete community engagement hours as a requirement to pass the course.

Student Name:	
Mentorship Organization:	
Mentor Name:	
Mentor Email:	
Mentor Phone Number:	
List the mentorship skills (e.g., be a role model, share knowledge, provide feedback when coaching, etc.) that the student will perform with the mentorship organization.	

By signing below, I confirm that the student and mentor will work collaboratively to complete the required community mentorship hours, under the supervision of our organization.
